

A classical painting of a Camargue landscape. In the foreground, a white horse stands on the left, and a brown mare with her foal grazes on the right. The middle ground is a calm body of water reflecting the sky. The background shows rolling hills under a hazy, overcast sky. The overall style is soft and atmospheric, typical of 19th-century landscape art.

CAMARGUE

woven textures

Inspired by the poetry of the Mediterranean landscape,
this collection combines textile sophistication with an
atmosphere of sensuality and character.

6 Panels / 2,70 × 3,18 m

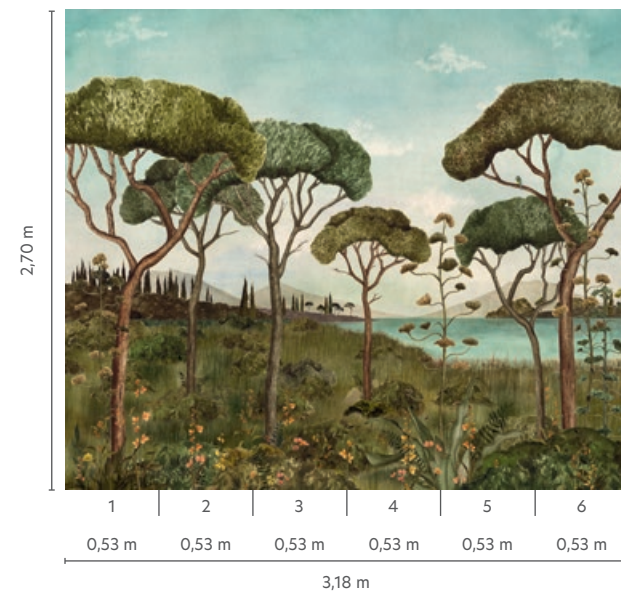

Amid reeds, water, and the famous white horses, a sense of openness unfolds – making rooms feel more spacious and the mind just a little lighter.

36935

6 Panels / 2,70 × 3,18 m

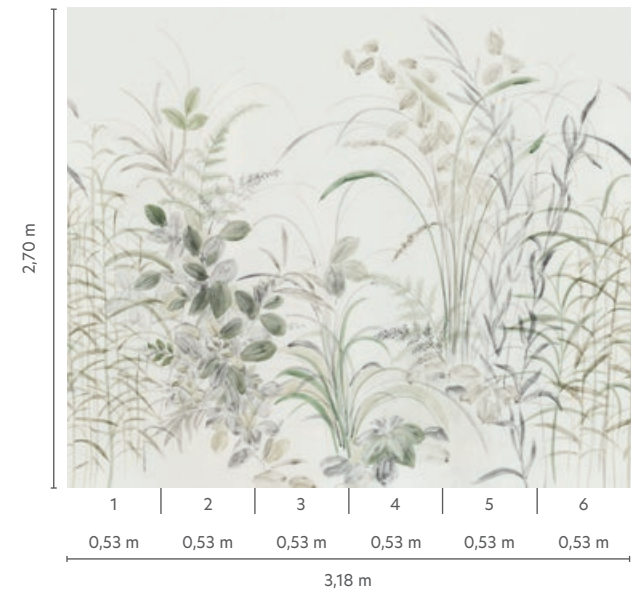

This mural captures the iconic landscape with its distinctive pine trees and shimmering water - almost as if the Mediterranean begins just beyond the wall.
